

## 2015 Atlantic Canada Mission to:

### **ALL-ENERGY EXHIBITION & CONFERENCE - GLASGOW, UK**

**MAY 6 & 7, 2015**

[www.all-energy.co.uk](http://www.all-energy.co.uk)

---

All-Energy is one of Europe's largest renewable energy events. **Now being held in Glasgow at the [SECC](#)**, All-Energy is a conference and trade show focusing on all aspects of the renewable energy sector; including tidal, biofuels, hydrogen, wind, solar and carbon capture.

**The 2014 conference was a big success and attracted more than 6800 delegates; the trade show had over 450 exhibitors from 19 countries, with over 400 speakers taking part in 95+ hours of conference and seminar sessions.**

The Maritimes Energy Association is the lead organizer for a pan-Atlantic trade mission to Glasgow, Scotland from May 6 – 7, 2015, to coincide with All-Energy 2015. The mission is supported through the Canada – Atlantic Provinces Agreement on International Business Development (IBDA). The IBDA is a federal-provincial agreement between the Government of Canada (ACOA, Foreign Affairs and International Trade Canada and Industry Canada) and the four provincial governments in Atlantic Canada.

---

#### **Who should consider attending All-Energy 2015?**

Companies and Institutions involved in:

- Renewable energy production
- Research and development of renewable energy solutions
- Supply and service companies interested in broadening their portfolio of energy related customers
- Engineering firms and consultants interested in renewable energy solutions.

#### **The Mission program will include:**

**Atlantic Canada Booth** - We have reserved booth space in the exhibit area to highlight the capabilities of Atlantic Canadian companies interested in this mission. Trade Mission participants can display company information in the booth and use this space to host meetings with potential partners and clients.

**Matchmaker** - In addition to utilizing the booth space, we offer the services of a "matchmaker" who will work to identify the goods and services you offer and connect you with potential partners and clients, and set up meetings. They will identify and facilitate networking opportunities through company briefings and potential networking events.

**Networking opportunities** – We work to identify possible receptions and networking opportunities that the Atlantic Canada delegation can attend.

**Potential site visits** – We work with the matchmaker to arrange visits to energy company offices located in the area.

## **Hotel Accommodations:**

For your convenience, we have reserved a block of rooms for our delegation at the [Crowne Plaza, Glasgow](#); which has covered walkway access directly to the SECC venue. Please be advised that there are a limited number of rooms available and these will go on a first come first served basis. Once you are registered and have paid to be part of this delegation, additional information will be provided regarding the hotel accommodations.

## **Mission fee & other estimated costs:**

Many of the costs of this mission are being covered through the Canada/Atlantic Provinces Agreement on International Business Development (IBDA) including the booth and matchmaker service. There will be a participation fee for this trade mission and participants will be responsible for their own travel and accommodations. Below is a breakdown of your estimated expenses:

<u>Participation Fee</u>	\$500.00 Cdn (plus tax) <i>Payable to The Maritimes Energy Association</i>
<u>Flight Fee</u>	\$1,750.00 Cdn (plus tax) (estimate only based on travel last year)
<u>Hotel Fee</u>	£145.00 per night (tax included) (room includes breakfast, internet; plus direct walkway access to the SECC)
<u>Conference Sessions</u>	The All-Energy Conference is free to attend for all delegates. If you wish to take part in any of the conference sessions, please register online at <a href="http://www.all-energy.co.uk/">http://www.all-energy.co.uk/</a> . This link will also provide you with the details of the conference and its associated sessions. You will be supplied with an exhibitor badge for the trade show portion from us, but you must register yourself online if you wish to attend any of the conference sessions.

## **Interested in Attending?**

As this is a pan-Atlantic mission and we will have companies representing the four Atlantic Provinces, there is limited space per province.

## **Registration for this Trade Mission is now open!**

If you are interested, please contact;
