

REM EAST 2015

CHALLENGES OF WORKING IN THE NORTH

November 9-10, 2015

CALL FOR ABSTRACTS

The RemEast 2015 Technical Conference on Challenges of Working in the North will be held **November 9th and 10th, 2015** in **Halifax, Nova Scotia**. The Conference is organized and presented by **ESANS**.

SPONSORS include public-and private-sector organizations active in northern development, land exploration, environmental assessment, solid waste management, wastewater management, and bulk fuel storage. Attendance is expected to consist of 250 scientists, engineers, regulators, constructors, and other environmental professionals representing industry, universities, government agencies, consultants, and R&D service firms.

RemEast2015 will be a platform to share information, encourage education, enhance knowledge, and increase awareness of the regulatory environment and development practices in the north. As well, the conference will showcase innovative solutions to the challenges of working Canada's North.

ESANS invites you to submit technical abstracts focusing on Challenges of Working in the North including remediation of contaminated soil, groundwater, surface water, and air. Abstracts are encouraged in, but not limited to, the following areas:

- ❖ Land Management
- ❖ Environmental Management
- ❖ Solid Waste Management (Hazardous and Non-Hazardous)
- ❖ Wastewater Management
- ❖ Petroleum Management
- ❖ First Nation Consultation

Abstracts are due by September 4th, 2015. Abstracts will be considered for placement in poster sessions if vacancies develop. Abstracts (maximum 1 page) must be submitted via email to sandra@esans.ca. Complete contact information - postal address, office phone number, and email address - must be included in your submission for each author listed on the abstract.

Key Dates for RemEast 2015 Conference:

- ❖ Abstract submission deadline (250 – 500 words): September 4th, 2015
- ❖ Abstract acceptance notification: September 18th, 2015
- ❖ Presentation submission deadline: October 30th, 2015
- ❖ RemEast Conference: November 9th and 10th, 2015
